### **Letter from the Mayor**

By Kristine Lott

Hello neighbors, there's a lot to celebrate this month! Our official Community Birthday Party in celebration of Winooski's Centennial is on Saturday, June 4, 2022, starting at 1 PM

at Rotary Park. We've got local musicians, food, kid's activities, and lots of exciting things planned - for full event details, please visit legay.winooskivt.gov/birthday. Soon after, our 2nd annual Juneteenth Celebration is on June 19th from 4 - 8 PM, also in Rotary Park. The Winooski Wednesdays concert series and the Winooski Farmers Market are also back for the summer! For full event info, please visit downtownwinooski.org. I am thrilled to celebrate safely outdoors and hope you'll join us for these free offerings.

Speaking of events, did you know that you can host your very own block party in Winooski? You can reserve a street closure via our Parks and Facilities portal here: secure.rec1.com/VT/winooskivt/catalog. I encourage you to host an

amazing event on your street! This is a great way to informally gather with your neighbors, especially as we get back into the habit of hosting in-person events.

In other news, we're kicking off a citywide reappraisal this month. Two years ago, due to increasing home values in our area, the State of Vermont mandated a city-wide reappraisal for Winooski. City Council contracted with our current assessor to begin the process and we're planning for a smooth process - please keep an eye on our website and sign up for our email news updates for more information on this process. The Assessor will be sending out letters and will be coordinating with homeowners and landlords directly. Please note that while a reappraisal will increase most home values on record, increases in tax bills are not the intent of this process. Every year, voters approve the City's budget, the total of which is divided across all of our properties. Some property owners may see a slight increase or decrease in their taxes based on their homes' value compared to the overall average value in Winooski. The reappraisal is targeted to be completed in 2024.

As always, feel free to reach out at any

## **Centennial Birthday Party!**

By Amy Lafayette

#### June 4, 1:00 to 4:00 PM @ Rotary Park Free and open to all

The City of Winooski invites you to the Centennial Birthday Party! Bring your families, friends, and neighbors for an all-ages, outdoor community birthday party to celebrate Winooski's 100th municipal birthday - enjoy food, drinks, music, kid's activities, and more.

Featuring performances by A2VT, KeruBo, Abizo, and High-Low-Jack. Enjoy food and drinks by Offbeat Creemee, Papa Franks Italian, Sarom's Cafe, Sneakers Bistro, Tiny Thai, and more!

The event will begin with a special Abenaki Land Acknowledgement. Participants can also enjoy special activities from the Winooski Memorial Library, meet Dan Higgins and learn more about his new Centennial book, participate in a big group photo, a City Council cake cutting and cupcakes, and a few other special treats.

Full details at https://www.legacy.winooskivt.gov/birthday

#### **NOTES FROM THE CENTRAL OFFICE**

## **Meet Mohamedou Diop - Director of Multilingual Learning Programs**

By Emily Hecker, Director of Communications & Development

Mohamedou Diop, (who is known to many people in the WSD by the shortened version of his name, Mohamed) will be moving into his new role as the Director of Multilingual Learning this July. He will be transitioning from his roles as the Winooski Middle High School Behavior Interventionist and the Hiring and Recruiting Staff of Color Coordinator.

During the past seven years, many students and staff have enjoyed the opportunity to get to know Mohamedou, and appreciate his warmth, enthusiasm, and positive attitude. As a multilingual learner himself, Mohamedou believes deeply in the value of speaking multiple languages. Through his role as the Director of Multilingual Programs, Mohamedou will guide our district in becoming a truly multilingual community.

"We are thrilled to welcome Mohamedou into this important Leadership role. As an educational leader, Mohamed has exceptional credentials and extensive experience. He also brings his multicultural background, which will provide valuable insight into the cultures of the students we serve," said Kate Grodin, WMHS Co-Principal.

For those of you who don't know Mohamed already, we asked him a few questions so you can get to know him better.

## What is your vision for the WSD Multilingual Learning Program? What do you hope to accomplish in your first year in your new role?

In my first year in this role, I'll review the vision in place, while I develop some professional development sessions around cultural competency to enhance our staff, students, and community members' relationships. When we understand our students and their parents or guardians, our teaching becomes even more effective. I'll build upon the great work already in progress to celebrate our success as a teaching and learning community. I'll also work closely with our students, staff, school administrators, community members, and all stakeholders to overcome our challenges.

#### How do you describe your Leadership style?

I am a very respectful leader/human being, knowledgeable but open to learning, observant, and a great listener who scaffolds my staff and provides constructive feedback. I collaborate really well with students, community members, staff, school administrators, and all stakeholders I get to partner with for our students' success.

For more questions and answers with Mohamedou, please visit our website at https://www.wsdvt.org/welcome-mohamedou-diop-director-of-multilingual-learning-programs/

## **Meet Maybeline Lopez - Director of Early Learning**

By Emily Hecker, Director of Communications & Development

Maybeline Lopez will be moving into her new role as the Director of Early Learning this July. She is currently the WSD's Act 166 Coordinator and Preschool Director.

Throughout her years of service to the district, the Preschool program has greatly benefited from Maybeline's compassion, intelligence, and fierce advocacy for students and families.

"Maybeline has worked tirelessly so that our preschool-aged students receive the best educational opportunities available. She is completely committed to the students and families of Winooski and will continue to work hard to improve and expand our Pre-K program so that it meets the needs of the Winooski community. Maybeline is a skilled educator and will bring her exceptional skills into her new role. Her focus on equity and setting high expectations will continue to improve outcomes for all of our students," said Katherine Blair, Director of Support Services.

For those of you who don't know Maybeline already, we asked her a few questions so you can get to know her better.

#### How long have you been working at the WSD?

I have worked at the WSD for 10 years. I started as the District Evaluator for Early Childhood Special Education and the Early Learning Coordinator. With the advancement of our Vermont Early Learning Standards in 2015, Licensing Regulations for Preschool Programs, and Publicly Funded Prekindergarten, providing high-quality early childhood education for our community has been a priority for me.

#### What is your vision for the future of the PreK program?

I believe that investing in early childhood education can positively impact a child's development and future success. Through collaborative work with the district and community, I plan to create inclusive and equitable learning opportunities for all children to thrive. Starting next year, I will be working on expanding preschool opportunities for children to receive equitable high-quality early education.

#### What do you do for fun?

I am the lucky parent of three boys and enjoy outdoor activities and frequent family celebrations with them.

#### **BUILDING THE FUTURE OF THE WINOOSKI SCHOOL DISTRICT**

## **Building a Better School**

By Emily Hecker, Director of Communications & Development

Winooski High School renovations are complete! Students and staff are enjoying the new space - especially the new High School Gathering, which is temporarily the district library.

While there still small details to attend to and yet another move summer, we are very close to wrapping up the Capital Project.

We're all looking forward to having time to settle into our fresh, new facilities and making the campus feel like our educational home.

### **Antiracism Steering Committee Update**

By Kayla Loving

The Antiracism Steering Committee (ARSC) did not meet in May. Instead, ARSC members committed to attending at least one Action Demand Group meeting before our next meeting on June 6th.

The antiracism student group has been meeting every two weeks. The group answered these three questions: 1) What would it look like to address the adults' reaction to the sit-in in a restorative way? 2) What actions can we take? and 3) What resources do we need? They are going to use their answers to come up with an action plan during the next meeting. Here are some highlights from their responses: healing the past, future thinking, removing power dynamics, better communication, true student involvement, agreements to return to stay restorative, student government, and meetings about our schools between students and adults once a month. They also came up with an action plan to address the sit-in in a restorative way. They'd like to have a restorative justice circle with the administrators, two of the school board members, and some union representatives. The youth will co-write and facilitate it.

Here are updates from the Action Demand Groups:

- Truth and Reconciliation Commission: They have continued communicating with Restorative Justice for Oakland Youth to plan for a time for them to visit Winooski and co-facilitate the process. They also planned a documentary showing of Confronting the Truth to share their work with the community.
- Hiring and Retaining Teachers of Color: No update.
- Ethnic Studies: They created a survey that is meant to ask teachers what they are teaching and how they are teaching, so the group can figure out where the gaps are. The youth created a student version of the survey.
- Equity Review: The Equity Audit by IBG Consulting was presented to the City and school district.
- Civil Rights Workshops: No update.
- Multilingual Learner Mentorship: They have partnered with Mentor Vermont to provide technical assistance. They created a job description for a Program Director who would oversee the mentorship program. They will be able to be trained by Mentor Vermont.

#### RESTORATIVE JUSTICE IN THE WINOOSKI SCHOOL DISTRICT

The Winooski Restorative Justice for Multicultural Youth Project, launched in 2020, is a collaboration between the Winooski School District, Spectrum Youth and Family Services, UP for Learning, and the City of Winooski with funding from the Vermont Department of Children and Families and an anonymous donor. This monthly column will highlight the Restorative Justice work happening across the district among different groups. For more information please scan the QR code to visit our website.

## **Highlighting Marginalized Voices in Restorative Justice Circles**

By Kayla Loving

The circle process can have an array of functions including storytelling, coming to an agreement, addressing harm, and facilitating learning. After the approval of some of the demands from the Winooski Students for Antiracism, WSD has been looking at different ways to incorporate an Ethnic Studies curriculum. Restorative justice circles based on the themedmonths opens up opportunities for learning about people from marginalized identities. The circles teach about that person's experiences and ask participants to connect it to their own.

Here are some examples from these circles:

- Yuri Kochiyama talked about "building bridges, not walls".
   What does this phrase mean to you?
- Students had the opportunity to read, listen to, and analyze a poem by Ocean Vuong.
- Shirley Chisholm's campaign slogan was "Unbought and Unbossed". What would your campaign slogan be?
- The circle about Hulleah Tsinhnahjinnie explores and provides space to comment on her art.
- Tammy Duckworth said, "The American Dream I believe in is one that provides anyone willing to work hard enough with the opportunity to succeed." What does your American Dream look like?

Referring to the circle about Yuri Kochiyama, Rebecca Savage said, "I used it in my classes today as part of our ongoing learning during AAPI heritage month. The students were really engaged and asked good questions." In the fall, there will be circles put together for Native American Heritage Month and Latinx Heritage Month.

Month	Theme	Subjects
February	Black History Month	Shirley Chisholm, Patrice Lumumba, and Ruby Bridges
March	Women's History Month	Hulleah Tsinhnahjinnie, Tu YouYou, Tammy Duckworth, and Gloria Richardson
May	Asian American Pacific Islander Heritage Month	Yuri Kochiyama, Ocean Vuong, and Philip Vera Cruz
June	Pride Month	Sally K. Ride, Cecilia Chung, and Marsha P. Johnson

#### 2022 Summer Meals For Winooski Students

By Nicole Mace, Finance Manager

The Winooski School District is participating in the Summer Food Service Program. The options this summer will differ somewhat from the last two summers and will be dependent on the construction schedule impacting our kitchen. At this time, we are expecting our kitchen to be closed for the last two weeks of June.

On Monday, June 20th, and Monday, June 27th, our food service providers will offer "make your own meal" kits so that students can make their own meals at home with the groceries provided through the district. The kits include breakfast and lunch. Meal kits typically include two pre-made meals, as well as bread, milk, meat, cheese, vegetables, fruit, and other staples.

The WSD will offer three meal kit pick up sites throughout the community. Meals will be provided, at a first come, first serve basis, at the sites and times listed below:

**Monday, June 20th & Monday June 27** at the following locations:

- From 9:30am 10:00am
   Winooski School District, 60 Normand St.
- From 10:15 am 10:45 am
   O'Brien Community Center, 32 Malletts Bay Ave.
- From 11:00 am 11:30 am Winooski Family Center, 87 Elm St.

For the remainder of the summer, students may come and pick up breakfast and lunch each day. Access to the school building to pick up meals will be permitted between 8 am - 12:00 pm Monday-Friday through the George Street entrance. Meals will also be available for pick up by students at the Myers Memorial Pool.

**Every child in Winooski, aged 0-18, is eligible for these FREE summer meals.** Summer meals will be provided to all children without charge and are the same for all children regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027), found online at <a href="http://www.ascr.usda.gov/complaint\_filing\_cust.html">http://www.ascr.usda.gov/complaint\_filing\_cust.html</a> and at any USDA office, or write a letter addressed to USDA and provide in the letter all the information requested in the form. To request a copy of the complaint form, call (866) 632-9992.

Submit your completed form or letter to the USDA by:

- (1) Mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Ave SW Washington, D.C. 20250-9410

## **Little Shop of Horrors**

Presented by Winooski Middle and High School

Come check out our Spring Musical Comedy!!

Little Shop of Horrors is a brilliant Broadway sci-fi smash musical. The story follows Seymour Krelborn, a meek floral assistant, as he stumbles across a new breed of plant. Seymour names the plant "Audrey II" - after his coworker crush.

This foul-mouthed, carnivorous plant promises unending fame and fortune to the down and out Krelborn as long as he keeps feeding it, BLOOD. Over time, though, Seymour discovers Audrey II's sinister intent of global domination!

What will Seymour do? Will he sell his soul to get the girl? Or, will he save the world?!

#### **JFK All School Celebration**

By Sara Raabe, Principal JFK

Each June, the entire JFK school has a day to celebrate the end of the school year. The past two years have been especially challenging, and we are excited to have a day together to celebrate our amazing students, staff, and community.

On June 13th, JFK students will be spending half of their school day at Laundry Park, and half of their school day at JFK.

At Laundry Park, students will:

1. Have an hour to either skateboard or swim.

CHILL will be coming to Laundry Park to work with 12 students from each grade level.

CHILL will bring all the skateboarding equipment, and students will learn how to skateboard.

Students that are not skateboarding will have an hour to swim in the Myers Memorial Pool. There will be lifeguards at the pool that day.

- Have an hour to play field games. We field games for students to play like giant Jenga, Connect Four, and Kurpluk.
- 3. Have an hour to eat a snack, get a temporary tattoo, and play on the playground at Laundry park.

#### At JFK, students will:

- 1. Have an hour to do an arts and craft project on their classroom
- Have an hour as a grade level to play on the three inflatables we will have:
  - a. A forty foot inflatable obstacle course
  - b. A twenty foot inflatable slide
  - c. A thirty foot obstacle course
- 3. Have an hour in the classroom to do a quiet activity (it is a busy day!)

Each year students and staff look forward to this day. It is a great opportunity for us to spend time together as a school community and have fun together!

June 14th is our rain date.

### **Afterschool Writing Program**

By Suzanne Skaflestad, 21C Afterschool Program Director

Sam Pregger participates in a new 21C afterschool program, which supports students writing for the *Young Writers Project*. Sam splits his time between Barre and Winooski, but lucky for us, he is a Winooski student.

The class is taught by Willow Shaefer, a very talented and committed college student from Saint Michael's College. Her passion for writing has inspired our students. Willow has already expressed interest in teaching the *Young Writers Project* again next year, which is fabulous news.

### The Dragon Ride

By Samuel Pregger, 12, Barre and Winooski

The Dragon Ride was about to begin. I was proud of myself, having won two tickets to the virtual reality roller coaster. It was simple, really: win a series of 100 battles (the "Guardian of the Entrance" actually made it 101) and you'd win two tickets to the purely awesome, all-expensespaid Dragon Ride. I couldn't wait.

"Think it's a hoax?" joked my slightly nerdy friend Loize.

Loize has been my best friend since second grade, and we've been stuck together like glue since we first met. Well, "like glue" might be the wrong term – more like tape and (relatively dry) ice. Our friendship fluctuates, but we are in a good place right now. And Loize was the obvious choice for my person to bring on the Dragon Ride. This was going to be fun.

We stepped into the VR room.

Inside, there were fans mounted on the walls and ceiling, and long robot arms to lift us up off the ground when the ride began. There were also many little panels in the walls – some screwed in, and others that looked like they would slide away to reveal gadgets inside that would amplify the realism of the ride. There was even a light in the ceiling labeled "abort" in case of malfunction or emergency. The weighted platform in the middle of the room was illuminated from below by a blue LED the size of a bus, or something like that.

We stepped onto the platform and closed our eyes. When we opened them again, we were standing on the edge of a cliff, looking out over forested mountains.

Then from the mountains came the dragon, the virtual beast that made the ride famous. The dragon landed in front of us, coiling into a pile of scales. It was a long thing, thinner and more centipede-like than I had imagined.

"Cool," breathed Loize. "So cool."

"I am Thraex-kra Glorm, dragon of the Kraktl-grath clan..."

#### **SCHOOL MATTERS** — K TO 12

## How We are Doing High School Differently

By Jean Berthiaume, WMHS Co-Principal

Winooski has adroitly developed a "porous" mentality that both invites the community in and encourages students to venture out creating a symbiotic relationship between school and the local environment. Through multiple strategic mission-aligned partnerships students are able to engage deeply with the community and are connected to learning opportunities that help explore what's possible beyond high school. Early College, dual enrollment, collaboration with local tech programs, and Capstone experiences, all offer students ways to engage in learning beyond the confines of the school building in service of the school's goal of preparing students for pathways beyond graduation.

— SpringPoint Observation 2022

Last month, schools from across New England met in Boston for the annual Barr Foundation spring convening. All of the schools that attended the convening are working on widening the ecosystem of learning for high school students. Widening the learning ecosystem looks different for each school but generally means that students are able to access learning beyond classroom walls through internships, community mentorships, and work experiences.

WHS students Nuru Mami and Emmanuel Omar attended the convening with me. Both students were selected to attend the conference after expressing their interest in developing clarification about the different pathways to graduation from WHS.

At the convening, participants were invited to listen and reflect on the Sounds of Learning installation, posted on the walls of the conference room. The exhibit featured short interviews with students and staff from high schools across the region sharing how their schools are widening the learning ecosystem. You may listen to the WHS stories using a QR reader.

These stories give a clear voice to who we are as a high school and our values of both rigor and relevance in the learning experiences that are designed for students. As WHS continues to evolve and improve our proficiency-based learning system, we aim to design and support learning experiences that ensure our students gain proficiency beyond traditional experiences of school. We will continue to share our progress as we design a system that personalizes culturally responsive pathways for all high school students.

#### **WSD HEALTH CORNER**

#### **Health Information**

By Elizabeth Parris, BSN, RN, NCS

What a busy year it has been! To date, the health office has logged 3,023 student visits district wide, triaged hundreds of phone calls and sent approximately 100 students to the dentist via SSTA transport. Our School Based Health Center (SBHC) operated 3 mornings a week this school year and so far has had 400 student visits.

The health office wishes to extend a HUGE THANK YOU to the following professionals and businesses:

- Shannon Fountain, WSD Health Office Assistant
- Madison Garfield, AOE Covid Response Staff
- Dr. Heather Link, SBHC Provider and WSD Medical Liaison
- Libby McDonald, NP-SBHC Provider

We want to sincerely thank you for collaborating and working with Katharine, Shannon and I to service the needs of the Winooski students throughout the year. We appreciate each one of you.

#### On another note...

- If your child is going to be in kindergarten then they will need an updated copy of immunization records. Please make sure they have had 5 doses of DTP/Dtap, 4 doses of IPV, 3 doses of Hepatitis B, 2 doses of MMR and 2 doses of Varicella. If they don't then please call your child's primary doctor to schedule an appointment for them.
- If your child is entering the 7th grade, please make sure they have had their 2nd dose of Varicella and a tdap booster.

#### Do you exempt your child from immunizations?

If yes, please make sure to stop by the health office before 11am on June 17th to fill out an exemption form for next school year. Otherwise, they will be available with the district's administrative assistants over the summer.

Remember without updated immunizations, a renewed exemption form or a doctors note stating their next appointment they can't start school in the fall!

#### Does your child have asthma?

If so, then please get the asthma action plan completed over the summer and have an inhaler and/or spacer ready to bring in on the first day of school.

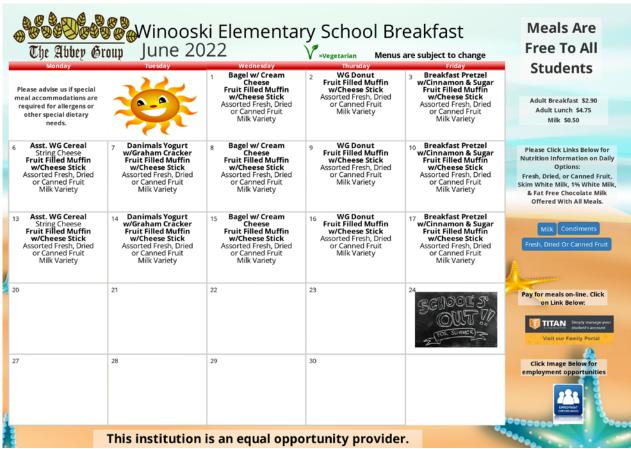

#### Does your child have an epi-pen?

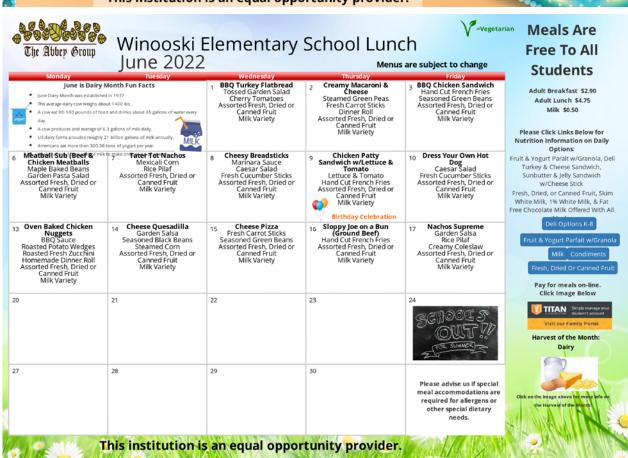

If yes, then please obtain an updated doctor's orders and have the new order and epi-pen ready to bring in on the first day of school.

We kindly request that parents or a designated adult pick up their children's prescription medication(s) by 11am on Friday June 17th. Any prescribed medications left after this selected date and time will be disposed at the Winooski Police Department. Students are not allowed to pick up their prescription medications.

Lastly, I am thrilled to announce that **Kelly Marcus**, **RN** will be joining the health office team next school year. Kelly comes to us from Shelburne with many years of school nurse experience.

We have enjoyed serving the health needs of your kids this school year and wish everyone a safe, happy and healthy summer vacation. See you in the fall!!

## From Your Local Representatives

By Representative Taylor Small

In the final stretch of the legislative session, the Vermont General Assembly was able to take significant action in updating our education funding formula to be more equitable; though the path getting there wasn't easy. This saga started back in the summer where a legislative task force was formed to better understand our current education funding system, review the research conducted by the University of Vermont and Rutgers University, and ultimately provide recommendations to the legislature on the best path forward to meet our constitutional obligation to provide equitable statewide education funding. The task force ended their work by providing two options: the first was to correct the per pupil weights as advised by the research before them, and the second was to pursue a completely different funding system created in the final meetings of the task force.

Once the legislative session began, the Senate drafted the first version of the legislation and ultimately passed S.287, which corrected the per pupil weights to reflect empirically derived and researched data rather than wellintentioned estimates. Once this legislation made it to the House its path became less certain. Political leaders in the House were eager to shift to the other recommended funding system cost adjustment factors - and gave little attention to the Senate's version of the bill. With the help of community members, school board members, city officials, and your representatives in the House, we were able to move the conversation to focus on correcting the per pupil weights and addressing the harm caused by the

current education funding system.

When this legislation came to the House floor, I shared a story from earlier this year when I met with students at Winooski High School to discuss my role in the statehouse. I shared with my colleagues the various questions that I received from the students, including: 'why do we not have a bus to get us to school in the winter time?' 'why do the other teams get school buses for their away games but we have to carpool and find ride?' 'why do our school meals suck?' and 'why do we eat the same food every week, every day?'. I shared this because our students, teachers, and school staff know the harm of the current education funding system. They know that we can no longer wait nor second guess the actions needed to improve the outcomes for our students. It is our responsibility as a legislative body to listen and to make changes when necessary, and this was a necessary change.

The one downside of the legislation as passed is that it will be implemented over 5 years, meaning that we will not see the full impact of this update until 2027. This is just one step in expanding the opportunities of Vermont's students and reducing the tax burden on Winooski's homeowners. I hope that during the next legislative session we will continue to look at how we fund our education system and how we disburse those funds out to our communities. When we talk about our education system, we are talking about Vermont's future and we don't have any time to waste.

## **Community Vision**

This section of the Winooski Newsletter is designed to keep our residents and visitors informed of the progress being made in the City's Strategic Vision areas – or "community vision". To learn more, visit *winooskivt*. *gov/about*.

#### **Economic Vitality**

The City of Winooski is looking for community input on how to spend about \$2 million in federal COVID-19 relief funds over the next couple of years. Please take a moment to take our brief survey in support of this effort – visit winooskivt. gov/arpasurvey today!

#### **Municipal Infrastructure**

The Municipal Infrastructure Commission has adopted a new schedule! Join them on the 3rd Thursdays of the month at 6:30 PM. The Department of Public Works is currently working to obtain construction easements and finalize construction documents for the Main Street Revitalization Project. Once a contractor is selected, the City will begin public outreach and engagement work to discuss construction impacts. In partnership with the City of Burlington, the Vermont Department of Transportation, and the Chittenden County Regional Planning Commission, the City is submitting a federal grant application to replace the 93 year old Winooski River bridge. The project is based on our community scoping study completed in 2019, which you can learn more about at ccrpcvt.org.

#### Housing

The Winooski Housing Commission met on May 19th to discuss the Housing sections of Winooski's Master Plan, the recently completed Equity Audit, and the draft document outlining the City Council's 2022-2023 Policy Priorities and Strategies. Residents are encouraged to participate in Housing Commission meetings. To learn more, visit winooskivt.gov/housing.

### Safe, Healthy, Connected People

The Safe, Healthy, Connected People Commission met in May to discuss and review a draft of City Council's Policy Priorities and Strategies recommendations. During the meeting, they also reviewed the findings from the City's recently completed equity audit.

### **COVID-19 Information**

For current updates, resources, and municipal service information please visit winooskivt.gov/covid-19.

COVID-19 testing is available at the O'Brien Community Center (32 Malletts Bay Ave). Please visit winooskivt.gov/ covid-19 for up-to-date hours. Register at vermont.force.com/events/s/selfregistration (walk-ups are also welcome).

The Vermont Department of Health is encouraging Vermonters to get vaccinated through your health care provider, a pharmacy or anywhere you get other vaccines. For full details, visit healthvermont.gov/covid-19/vaccine.

## Reminders from the City Clerk's Office

The new tax bills and quarterly utility bills will be mailed during the first two weeks of July. Payments can be made online via winooskivt.gov/pay or in-person at the City Clerk's Office (Winooski City Hall, 27 West Allen St).

Our next election will be the August Primary on August 9th. If you prefer to vote by an absentee ballot, the ballots will be available approximately 45 days before the election. Questions? Feel free to reach out any time: 802 655 6410 / clerk@ winooskivt.gov.

Bone Builders classes fill a vital need for regular physical exercise as well as increased social interaction, both well-known components of healthy aging. FREE!

#### Meals on Wheels

If you know of an older Vermonter who has special nutrition requirements or is having difficulty with meal preparation, please call Age Well at 802 863 0360 to find out the eligibility requirements. No one is denied meals due to an inability to donate. Volunteer drivers are always needed.

#### **Artist-in-Residence - Tom Locatell**

Local carpenter and artist, Tom Locatell will be in his workshop at the Senior Center. Stop by during our open hours (Tues/Wed/Thurs 9 AM – 12 PM) and meet Tom and see what he's building using downed trees from our city's parks.

## June Update for Downtown Winooski

By Meredith Bay-Tyack, Executive Director, Downtown Winooski

## Care about inclusivity and safety? Volunteer at events!

We are excited about the upcoming schedule of free community events in Winooski, but we need your help! In order to make events welcoming, safe and enjoyable for all, we are looking for volunteers to act as crossing guards, work with vendors and event coordinators to set up, and more. Go to <a href="http://downtownwinooski.org/summer-2022-in-winooski">http://downtownwinooski.org/summer-2022-in-winooski</a> to find the volunteer sign up form and we'll work with you to find the dates and jobs that fit your availability best. Thank you so much!

### More to love at Winooski Wednesdays

Save the dates: June 8, June 22, July 13, July 27, August 10, August 24, and August 31. From 5 – 8PM, Rotary Park will be filled with local vendors, local performers

and a headliner sure to please the all-ages crowd. Bring a picnic blanket, grab takeout and enjoy! 21+ bar hosted by The Monkey House. Winooski Wednesdays is presented by Mascoma Bank and supported by Barr Hill. Brought to you by Downtown Winooski.

#### Winooski Farmers Market - All are Welcome

The Winooski
Farmers Market is
hosted on Winooski
Falls Way (in front of the
Champlain Mill) every
Sunday through October
16 from 10AM - 2PM.
Free parking is available
on the street and in the
parking garage across
from the market. Find
fresh local produce,
unique foods, locally
made items, live music

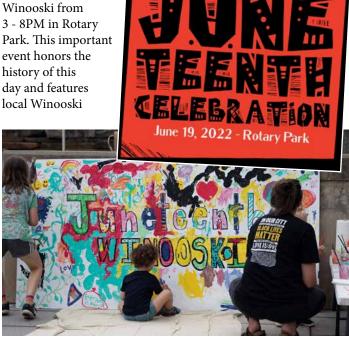

and that just-can't-put-your-finger-on-it sense of community. The Winooski Farmers Market welcomes EBT/3 Squares Vermont customers and will match up to \$10 in Crop Cash, thanks to NOFA-VT. Thank you to our sponsors and partners on this beloved event, including Opportunities Credit Union.

## Juneteenth Winooski is back for it's second year!

Celebrating Black joy in all forms,
Juneteenth Winooski is hosted by the
City of Winooski and Downtown
Winooski from
3 - 8PM in Rotary
Park. This important event honors the history of this day and features

City of Winooski Annual

performers, speakers, storytellers and food producers. Join us to sample delicious foods, dance, and learn. Thank you to sponsors the City of Winooski, Redstone, EIV Technical Services, Waterworks Food + Drink, Vermont Wine Merchants and more. For up to date schedule and other information, please visit www. downtownwinooski.org/Juneteenth.

# Halloween in Winooski ... yes, already

We are already seeking help from the community to bring this wonderful event to the City once again. If you're interested in joining the planning committee or

15

volunteering before or during the Halloween in Winooski 2022 event, please contact meredith@downtownwinooski.org.

### **Transformation and Nonviolence**

By Sister Pat McKittrick

Every one of us is aware of the destructive wars that are raging in our world today. What can we do? Raising awareness about how we can transform our own lives in our own environment is a first step. Living nonviolently is more important now than ever.

Veronica Pelicaric tells us: "As the power of nonviolence grows in us, it begins to transform us, which in turn transforms others and grows the movement for change."

According to Wikipedia, Nonviolence is the personal practice of being harmless to self and others under every condition. It comes from the belief that hurting people, animals or the environment is unnecessary to achieve an outcome and refers to a general philosophy of abstention from violence.

The campaign Nonviolence says, "Nonviolence is a force for transformation, justice, and the wellbeing of all that is neither violent nor passive. It is a powerful method for challenging and overcoming violence without using violence; for creatively transforming and resolving conflict; and for fostering just and peaceful alternatives. People around the world are using active nonviolence in grassroots nonviolent movements to build more democratic societies, to champion human rights, to challenge racism and sexism, to struggle for economic justice, and to safeguard the planet. Recent quantitative research has demonstrated that nonviolent strategies are twice as effective as violent ones."

At a time when our society is struggling with many issues, it may be helpful to look at ways that we can bring about change without causing harm to others. We also know there is strength in numbers. Let us work together to build stronger caring communities.

Quoted below are Dr. Martin Luther King's Principles of Nonviolence:

- Nonviolence is a way of life for courageous people.
- Nonviolence seeks to win friendship and understanding.
- Nonviolence works to defeat injustice, not people.
- Nonviolence holds that voluntary suffering can educate and transform.
- Nonviolence chooses love instead of hate.
- Nonviolence believes that the universe is on the side of justice.

"We have to make truth and nonviolence not matters for mere individual practice but for practice by groups and communities and nations. That at any rate is my dream. I shall live and die in trying to realize it." – Mohandas Gandhi

## **Howard Center Update**

By Adam C. Brooks,

**Assistant Director of Communications** 

As the current school year begins to wind down, scores of children across our community are looking forward to another beautiful Vermont summer.

It's a time for relaxation, vacations, camps, trying new things, visiting relatives, and hanging out with friends. We hope your summer is a fun, enjoyable, and safe one! Howard Center offers some safety and mental health tips for children and their parents for the summer months ahead.

- Make plans to spend time with supportive friends.
- Try something new each week and keep a list of those activities.
- Maintain healthy eating habits and a regular sleep schedule.
- Spend time outdoors. Get moving even time in the yard or a short walk can be energizing.
- Listen to music that is uplifting.

- Limit your time on your devices. Be with your people—friends and family.
- Take a break from social media.
- Drink plenty of water and don't forget the sunscreen.
- Stay sharp by starting a journal or doing something creative.
- Watch a movie that makes you laugh. Avoid violent content.
- Lend a hand to a friend or neighbor who needs support.

If you need support or information, please contact our Access and Intake Main Number 802-488-6000; M-TH 8:00AM – 6:00PM, and Friday 8AM – 5PM. Our staff will help you find the services that best fit your need. Our First Call for Chittenden County crisis hotline 802-488-7777 is available 24/7/365

### Winooski Food Shelf Schedule for June

By Linda Howe, Winooski Food Shelf Coordinator

Wednesday, June 8th	1:00pm to 3:00pm	Pantry staples, veggies, eggs, meat, diapers
Saturday, June 11th	9:30am to 11:00am	Veggies, deli, bakery, meat, eggs, diapers
Wednesday, June 22nd	1:00pm to 3:00pm	Pantry staples, veggies, eggs, meat, diapers
Saturday, June 25th	9:30am to 11:00am	Veggies, deli, bakery, meat, eggs, diapers

**VOLUNTEERS NEEDED!!** We continue to see around 200 households each month - that is about 800 people. Most of our neighbors needing some extra help are young families with children. We have around 200 babies in need of diapers each month. Volunteers help pack bags of food, repack bulk potatoes and other veggies, go and pick up donated diapers and food, set up tables for food shelves and serve clients.

**Food Shelf Policy:** Winooski residents coming for the first time should bring proof that you live in Winooski such as a utility bill or rental lease. Winooski residents may access the pantry staples one Wednesday each month. They may also come both Saturdays to stock up on bread, pastry and some fresh fruits and veggies. Shaw's in Colchester and Winooski's own Commodities Natural Market help supply Saturday's food.

**Where to find us:** The Winooski Food Shelf is located in the United Methodist Church at 24 West Allen Street. We do not provide rides so please bring a wheeled cart or suitcase and some bags to lug your food home. The church phone number is 802-655-7371.

**Cash donations needed:** The Food Shelf is growing rapidly. More and more of the food must be purchased since donations of food items cannot meet demand. Checks can be mailed to: The Winooski Food Shelf, P.O. Box 53, Winooski, VT 05404. You may also donate at winooskifoodshelf.org.

Donation Drop Off Locations: Please do not leave food on our doorstep when we are closed. Instead, please bring unexpired and unopened food donations to: Commodities Natural Market, 65 Winooski Falls Way, phone: 448-3340 or to J & J's Corner Market, 12 Malletts Bay Avenue, phone: 802-654-8003. We especially need toiletries: toothpaste, tooth brushes, deodorant, shampoo, disposable razors and toilet paper. Thank you for caring about our neighbors!

**Food Shelf Volunteers Needed:** If you have some free time and would like to do some pickups and deliveries, pack food boxes, set up for food shelves or serve our clients, please reach out to us at our e-mail address: winooskifoodshelf@gmail.com. We especially need help serving clients on Wednesdays.

## **Promoting Safe Storage**

By Kate Nugent, Winooski Partnership for Prevention

For youth, summer can mean more free time. Youth brains are growing and burning with curiosity as they continue to develop their identities and what they care about. To keep that curiosity directed at healthy activities, if there are 21+ only substances in the home, or any prescription medications, they can be locked, kept out of sight and out of reach and that helps keep them out of mind of any youth, too. We have free, lockable bags that can used to store Tobacco, Nicotine, Cannabis, and or Prescription drugs. We can provide them to you any time, just get in touch! For alcohol, we recommend keeping in a locked refrigerator, or cabinet, or using a bottle lock. We can help you find these until the WPP can also provide them.

For busy, working parents, finding enriching activities for their kids in the summer can be daunting. Many summer camps fill up early and are cost-prohibitive.

What activities might still be available for youth this summer? The Winooski Library, Recreation and Parks department, and the Winooski School District have many programs that can be more budget-friendly, and also people who can help you find positive outlets for the energetic youth in your life. Please feel free to reach out to us, as well, as we may have some ideas and or contacts. And thank you for an awesome year!

## Green Up Day Gratitude

Thanks to everyone who helped us at our most recent clean-up day, and to our youth members who helped promote and run the events

smoothly! We look forward to more next year.
